Summer 2025

We are halfway through the summer and inching ever so close to the Kentucky State Fair! Since receiving your last 4-H Newsletter we have hosted Super Star Chef, attended 4-H Camp, rode through Bluegrass Horse Camp, shown at livestock shows and shot at 4-H Shooting Sports contests across the Commonwealth.

As the summer passes there will be a lot of changes to our program. For some 4-H'ers this will be their last summer competing as members before they transition to alumni and serve as volunteers. For other young people, it's their last months of watching their siblings compete before they have the opportunity to be members themselves and stand in the spotlight! Program-wide we are exploring potential changes in our communication

system with the passage of Senate Bill 181 and may be phasing out Remind. The Kentucky State Fairgrounds is undergoing a makeover which might impact your State Fair experience. Melissa, your 4-H Agent, will be spending the rest of the summer on leave as she welcomes a new baby to her family. With each of these transitions we want to remind everyone that should they have any questions, please reach out to the Extension Office so we can navigate changes to keep everyone on track!
