What is WOW?

The Washington on Wellness Coalition (WOW) is a community coalition comprised of agencies, volunteers, officials, and citizens. All are welcome. Our mission is to utilize community collaboration to promote well-being. Our goals include raising awareness of local issues, promoting the well-being of our community, and addressing substance use disorder through wellness.

Membership & Meetings

Any interested person may join the WOW Coalition for free. Active members meet on the last Wednesday of each month at noon. Inactive members may receive updates and minutes via email. A Member Directory is online at washington.ca.uky.edu/washington-wellness.

Anyone may receive the free monthly WOW newsletter with community information and helpful articles via email or mail. Members may also submit items to be included in the newsletter. Contact Cabrina Buckman with questions at cabrina.buckman@uky.edu or 859-336-7741.

The next WOW meeting will be May 29, 2024.

the one-stop shop for FREE mental well-being resources

Credible Mind is the free online platform that brings together expert rated and vetted videos, podcasts, apps, online programs, books, and articles all in one easy to use place. Confidential and available 24/7, with Credible Mind you can learn new skills, understand your own mental health, take a mental health assessment and browse our library of thousands of mental wellbeing resources.

Mental health is vital to our overall wellbeing. When we hear "mental health" we tend to think of negative things like feeling anxious, depressed, or stressed. Did you know that mental health also includes emotional, psychological, and social wellbeing? Things like our happiness, eating habits, and job or relationship satisfaction can affect our mental health, too!

Credible Mind covers over 200 topics, including:

aging, ADHD, resilience, anxiety, forgiveness, mindfulness, purpose, friendships, humor, gratitude, body image, depression, relationships, creativity, goal setting, happiness, burnout, self-care, parenting, caregiving, grief, boundaries, stress, movement, sleep, time management
