What is WOW?

The Washington on Wellness Coalition (WOW) is a community coalition comprised of agencies, volunteers, officials, and citizens. All are welcome.

Mission and Goals

Our mission is to utilize community collaboration to promote well-being. Our goals include raising awareness of local issues, promoting the well-being of our community, and addressing substance use disorder through wellness.

Membership and Meetings

Any interested person may join the WOW Coalition. There is not a membership fee. Active members meet monthly on the last Wednesday of each month at noon at the Washington County Extension Office (currently meeting via Zoom). Inactive members may elect to receive updates and minutes via email.

Anyone may receive the free monthly WOW newsletter with information on community events, helpful articles, and recipes via email or mail. Members may also submit items to be included in the newsletter. Contact Cabrina Buckman with questions at cabrina.buckman@uky.edu or 859-336-7741.
